Paul Mitchell The School Colorado Springs

TRANSFER HOURS

Transfer hours accepted by the school are applied to the total number of hours necessary to complete the program and are considered both attempted and completed hours for the purpose of determining when the allowable maximum time frame has been exhausted. Satisfactory Academic Progress evaluation periods are based on actual contracted hours at the institution. For transfer students attending less than a full academic year, an evaluation will be done at the midpoint of the actual hours.

Students that drop from one program and enroll in another program in the school would need to withdraw from the current program and enroll in the new program. SAP will have no impact on students enrolling in a different program within the school.
